The screenshot shows a web browser window with the address bar displaying [http://localhost/xml1/practice/my\\_xml-01.xml](http://localhost/xml1/practice/my_xml-01.xml). The browser tabs include XML, loc, and various development tools like goormIDE and Grid template areas. The main content area displays a grid of six book cards arranged in three rows and two columns. Each card contains the title, author, year, and price of a book.

Book Title	Author	Year	Price
Poèmes Français	Réjean Thomas	2006	14.99
Learning XML	Erik T. Ray	2003	39.95
